Series Scoring System

1st place - 1 point, 2nd place - 2 points etc

Retirement points = number of starters in race +1

Did not start (DNS) points = the number of starters in the whole series

If competitors do not sail the full number of "races to count" then they will score DNS points for each missing race.

The HELM will count for series points and not the boat/rig.

Please ensure you enter the correct PYS on the races entry form for the boat/rig you sail in the race.
