Sailing, like many other water sports, is a potential high-risk activity and subject to changing weather conditions

If in the opinion of the instructors the conditions on the day are unsafe (e.g. high winds) the practical sessions will be postponed to a convenient alternative date.

We actively encourage trainees to develop their sailing after the course through our improvers group. We offer weekly supervised training and invite all successful candidates to join this group using Social media to promote the activities.

Please talk to any of the instructors if you want to purchase a boat. If you own a boat and want to sail it at Halifax Sailing club you must be a full/windsurf member and have at least £2m third party insurance cover.

A trainee member does not have all of the benefits or responsibilities of full membership such as requirement to undertake racing duties and storage of boats. Trainee membership does provide access to club boats/ boards and equipment under supervision during and after successfully completed the course.

Emergency information.

Please supply contact details of someone you would like us to contact in case of emergency:

Please read the following and sign below to give your consent

Sailing is by its nature unpredictable and therefore inherently involves an element of risk. By attending Halifax Sailing Club, I agree and acknowledge that:

- I am aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of myself, any family members and craft to such inherent risk whilst at the club, afloat or ashore
- I accept responsibility for any injury, damage or loss to the extent caused by my own or family members' actions or omissions.
- If I suffer, or have suffered, from any serious medical ailment, I will take the advice of my doctor before taking up dinghy sailing or windsurfing.
- The Club only provides safety boat cover during organised racing and training sessions. This provision is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances and does not relieve myself and family members of our own responsibilities

In addition

- I undertake to comply with the rules and bye-laws of the Club *** (see below)*
- I consent to my contact details being made available to other Club members via the password protected page of the Club's website.
- I consent to my Emergency contacts details to be held securely on the club premises

I have checked the details the club holds for myself, made my subscription payment as indicated and have read the above, acknowledging the stated risks and agreeing to the terms of club membership.
