Sailing is by its nature unpredictable and therefore inherently involves an element of risk. By attending Halifax Sailing & Watersports Club, I agree and acknowledge that:

- I am aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of myself, any family members and craft to such inherent risk whilst at the club, afloat or ashore
- I accept responsibility for any injury, damage or loss to the extent caused by my own or family members’ actions or omissions
- If I suffer, or have suffered, from any serious medical ailment, I will take the advice of my doctor before taking up dinghy sailing, windsurfing or other activities at the club.
- My craft is in good order and myself and family members are fit to participate
- The Club only provides safety boat cover during organised racing and training sessions. This provision is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances and does not relieve myself and family members of our own responsibilities

In addition:

- Dinghy sailors: My craft is insured, with cover of at least £2,000,000 against third party claims
- Other water-using members: I have taken out personal insurance, with cover of at least £2,000,000 against third party claims
- I undertake to comply with the rules and bye-laws of the Club ** (see below)
- I undertake to fulfill my obligations to participate in the Duty Rota for safety boat coxes and race officers as required by the Club
- I consent to my contact details being made available to other Club members via the password protected page of the Club’s website.
- I consent to my Emergency contacts details to be held securely on the club premises.
