

Borrowing Halifax Sailing and Watersports Club Equipment

1

Henry Goodman 07710 353398

Sue Lamb 07814 857718

3

If a club member wants to borrow any equipment then they should apply by Whatsapp message or phone call to one of the above authoriser stating what they want to borrow and on which date. Each day is a separate event - this policy is not designed to support long term borrowing.

4

If the equipment is available (ie. Not in use for any other purpose) the authoriser will assess the competency of the requestor and approve the request if thought appropriate. They will confirm where the equipment is stored and identify sails etc to be used.

5

The club does not charge for the use of equipment. The club only insures the equipment on a 3rd party basis. The club would expect any damage caused by the borrower up to £100 to be put right by the borrower.

6

If the borrower damages any equipment they must advise the authorizer, or finds any equipment is already damaged they should report it to the authorizer.
