Sailing, like many other water sports, is a potential high-risk activity and subject to changing weather conditions

If in the opinion of the instructors the conditions on the day are unsafe (e.g. high winds) the practical sessions will be postponed to a convenient alternative date.

We actively encourage trainees to develop their sailing after completing the course through our improver's groups. We offer regular supervised training and invite all successful candidates to join these groups using social media to promote the activities.

Boat ownership. Trainee membership provide access to club boats/ boards and equipment under supervision during and after successfully completed the course. Sailing is by its nature unpredictable and therefore inherently involves an element of risk. By attending Halifax Sailing Club, I agree and acknowledge that:

- I am aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of myself, any family members and craft to such inherent risk whilst at the club, afloat or ashore
- I accept responsibility for any injury, damage or loss to the extent caused by my own or family members' actions or omissions.
- If I suffer, or have suffered, from any serious medical ailment, I will take the advice of my doctor before taking up dinghy sailing or sailboarding.
- The Club only provides safety boat cover during organised racing and training sessions. This provision is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances and does not relieve myself and family members of our own responsibilities

In addition

- I undertake to comply with the rules and bye-laws of the Club ** (see below)
- I consent to my contact details being made available to other Club members via the password protected page of the Club's website.
- I consent to my Emergency contacts details to be held securely on the club premises

I have checked the details the club holds for myself, made my subscription payment as indicated and have read the above, acknowledging the stated risks and agreeing to the terms of club membership.
